

# Novena of Servant of God Elisabeth Leseur

God, our Father, you fortified Your servant Elisabeth with admirable prudence and a profound interior life, so that she could bear witness to Christ before her husband and in the unbelieving world that surrounded her. You gave her great meekness, making her capable of accepting her sufferings as an agreeable prayer to you.

We thank you, Father, for the gifts that You gave her, for the example she has given to the women of today, and for the benefits obtained in our family through her intercession.

We confidently beseech you that through her intercession you grant us the grace of... (Ask for the grace desired.)

We also ask that, if it be Your will, the Church may recognize the holiness of Elisabeth's life, for the glory of the Holy Trinity.

We ask this through Christ Our Lord. Amen.
